Dear Distributor,

In February 2006 at the CRi-PC Distributor Product Launch and Distributor of the Year Awards we asked you for your feedback on the prototype CRi-PC Test Stand.

We are pleased to inform you that as a result of your valuable feedback we have aesthetically changed the design, improved the functionality and increased the test stands features;

- Improved access to working area and controls.
- Static controls, pc screen and keyboard/mouse.
- Easier access to pc.
- New software functions e.g. temperature control.
- Improved set up for fluid drainage.
- Easier access to filters, air pumps etc...
- Easier access to air service valve.
- Fitted with an internal tool tray.
- Fitted with internal lighting.
- Fitted with extraction fan.
- Available with a printer.
